# HOW TO CREATE A TOKEN

EXAMPLE: \$MAVRK TOKEN CREATION

The first screen of the Mavrak mobile app shows the initial setup. At the top, there's a header with the Mavrak logo and a 'mavrk.link' button. Below the header, there's a 'LOGO' section with a placeholder image of the Mavrak logo. Underneath is a 'BANNER (OPTIONAL)' section with a placeholder image of the Mavrak banner. Below the banner, there are input fields for 'NAME' (Mavrak), 'SYMBOL' (MAVRK), and 'CATEGORY' (DeFi). At the bottom, there's a status bar showing a balance of \$3,609 and a total of \$106,201.

1. Upload a load token logo
2. Upload a banner image
3. Enter a token name
4. Enter a token symbol

The second screen of the Mavrak mobile app shows the category selection screen. It has the same header as the first screen. Below the header, there's a 'NAME' field (Mavrak), a 'SYMBOL' field (MAVRK), and a 'CATEGORY' section. The 'CATEGORY' section has a grid of buttons: Meme, DeFi (selected), Utility, Gaming & Metaverse, SoFi, Creator Coins, AI & Tech, DAO, Experimental/Art, and Kraken Girls. Below the category grid, there's a 'DEPLOYMENT MODE' section with 'FREE' (selected) and 'Pay Gas' buttons. Below that is a 'DESCRIPTION (OPTIONAL)' field. At the bottom, there's a status bar showing a balance of \$3,609 and a total of \$106,201.

5. Select a token category
6. Choose between FREE (recommended), or a self-funded deployment

The third screen of the Mavrak mobile app shows the social links screen. It has the same header as the first screen. Below the header, there's a 'DEPLOYMENT MODE' section with 'FREE' (selected) and 'Pay Gas' buttons. Below that is a 'DESCRIPTION (OPTIONAL)' field. Below the description is a 'Socials (Optional)' section with a grid of buttons: Website URL, Telegram URL, X URL, and Discord URL. Below the social links, there's a 'DEPLOY TOKEN (FREE)' button. At the bottom, there's a status bar showing a balance of \$3,610 and a total of \$106,201.

7. Enter social links for your project (optional)
8. Deploy your token!

The fourth screen of the Mavrak mobile app shows the 'Be the First Buyer' screen. It has the same header as the first screen. Below the header, there's a 'DEPLOYMENT MODE' section with 'FREE' (selected) and 'Pay Gas' buttons. Below that is a 'DESCRIPTION (OPTIONAL)' field. Below the description is a 'Socials (Optional)' section with a grid of buttons: Website URL, Telegram URL, X URL, and Discord URL. Below the social links, there's a 'DEPLOY TOKEN (FREE)' button. Below the deploy button is a 'BE THE FIRST BUYER?' section. This section asks 'Would you like to be the first to purchase your token at launch? Set your initial buy amount below. You can also skip this step entirely.' Below the question is an 'ETH Amount to Buy' field with a value of 0.01. Below the amount field is a box showing 'Estimated Tokens You'll Receive: 20,000,000 tokens Based on \$1.8k market cap'. At the bottom, there are two buttons: 'Yes, Buy with Selected Amount' and 'No, Deploy Without Initial Buy'. At the bottom, there's a status bar showing a balance of \$3,610 and a total of \$106,200.

9. Be the First Buyer! (optional)
10. Sign the transaction and submit first purchase
