

CREATOR EARNINGS

How to Collect Creator Earnings

The screenshots illustrate a step-by-step process for collecting creator earnings:

- Step 1 (2:09 PM):** The user is on the "MAVRK.INK PROFILE" page. It shows a "CREATOR DASHBOARD" with a creator address (0xa7597ded779806314544CBDabd1f38DE290677A2), tokens deployed (6), and first creation date (9/24/2025). Below this, it shows total WETH earned (< 0.001) and earnings USD value (\$1.16). The bottom navigation bar includes links for MAVRK.INK PROFILE, MAVRK.INK, and MAVRK.INK.
- Step 2 (2:11 PM):** The user has navigated to the "TOKEN EARNINGS" section. It displays "TOTAL COLLECTIONS" (9) and three categories: SINK, WIFK, and TYDRO. Each category has a "VIEW FEES" button, a "COLLECT" button (highlighted in purple), and a "MINT CARD" button. The "SINK" category shows fees of \$0.5292.
- Step 3 (2:11 PM):** The user has clicked the "COLLECT" button for the SINK category. The button is now grayed out and says "COLLECTING...". The fees for SINK remain at \$0.5292.
- Step 4 (2:11 PM):** The collection process is complete. The "COLLECT" button for SINK is now green with a checkmark and says "COLLECTED". The fees for SINK remain at \$0.5292.
- Step 5 (2:12 PM):** The user has moved on to the next category, WIFK. The "TOTAL COLLECTIONS" count has increased to 11. The WIFK category shows fees of \$0.4766. The "COLLECT" button for WIFK is highlighted in purple.

Navigate over to your creator profile page at mavrk.ink/profile

Scroll down to your Token Earnings section and click on View Fees

All Mavrk tokens earn 1% fees on LP Trading. Creators earn 25% of those fees. Fees are earned in WETH and displayed in USD value

Click the Collect button on each token to collect the generated fees and sign the transaction in your wallet

Success! WETH has been deposited directly into your creator address
